 Washington, D.C. 20505

Dear Mr. Casey:

I am writing to invite you to testify at a hearing of the Subcommittee on Western Hemisphere Affairs on the subject of United States policy toward military or paramilitary operations in Nicaragua. The hearing will be held on Wednesday, April 17, 1985, at 2:00 p.m. in room 2172 of the Rayburn House Office Building.

The purpose of this hearing is to review the Administration's request for continuing support for military or paramilitary operations in Nicaragua. In particular, your testimony should address: (1) whether the Government of Nicaragua is providing materiel or monetary support to anti-government operations in El Salvador or other Central American countries; (2) the military significance of such support; (3) why United States assistance for military or paramilitary operations is necessary; (4) a justification of the amount and type of such assistance and a description of its objectives; and (5) an explanation of the goals of United States policy for the Central American region and how the proposed assistance would further such goals, including the achievement of peace and security in Central America through a comprehensive, verifiable and enforceable agreement based upon the Contadora Document of Objectives.

An instruction sheet for witnesses is attached. Please note that your oral statement should be limited to 10 minutes, and that the Committee rules require that 50, and preferably 75, copies of your prepared statement be provided to the Subcommittee 48 hours in advance of the hearing. If your staff has any questions, or needs to coordinate details, please contact Mr. Robert Kurz, Staff Consultant of the Subcommittee, on (202) 226-7812.

The Subcommittee looks forward to receiving your testimony.

Sincerely,

*Mike Barnes*

INSTRUCTIONS AND INFORMATION FOR WITNESSES

1. Your written statement should be as long as necessary and will appear in full in the record of the hearing. Additional material may be submitted with your statement but will normally be retained in the Subcommittee's files and not printed in the record due to the high printing costs.

2. The order of witnesses is at the discretion of the Chairman. Witnesses should be present at the hour announced for the beginning of the hearing and remain available for the duration of the hearing unless other arrangements are made with the staff in advance of the hearing.

3. Your oral presentation should be limited to about 10 minutes. If your written statement is longer, please be prepared to summarize it to stay within the allotted time.

4. The rules of the Committee require that 50, and preferably 75, copies of your prepared statement be provided to the Subcommittee 48 hours in advance of the hearing. Duplication of statements is the responsibility of the witness. Written testimony should display the following heading:

PREPARED STATEMENT OF (name of person or persons testifying)  
(position, title, if any)  
(name of organization represented, if any)  
before the  
Subcommittee on Western Hemisphere Affairs  
(and, if a joint hearing, other subcommittee(s) involved)  
Committee on Foreign Affairs  
U.S. House of Representatives  
Washington, D.C.  
(date of testimony)

5. Witnesses are requested to provide one copy of a brief (one page) biography of themselves, if available, for inclusion in the hearing record.

6. Witnesses will receive a transcript of their remarks shortly after the hearing (usually within two weeks). Witnesses should edit only their own remarks, without changing basic meaning or context. Limited new material, which expands upon points addressed in the transcript but does not alter the context, may be added in consultation with the staff. Witnesses should return edited transcripts, together with any material requested during the hearing, as soon as possible to permit timely publication. Failure of witnesses to observe this requirement may result in the publication of unedited remarks.

7. Each witness will receive a copy of the published hearing record as soon as it is available.

8. Exceptions to the above procedures are at the discretion of the staff.
